

## CASE STUDY

The Pyplok logo features the word "Pyplok" in a bold, white, sans-serif font. The letter "o" is replaced by a green circular icon with a white sunburst pattern. A registered trademark symbol (®) is located to the upper right of the "k".

**Pyplok®**

SALMON  
EVOLUTION®

**INSTALLATION DATE:**

May 2022

**END USER:**

Salmon Evolution

**LOCATION:**

Bud, Norway

**LINES SIZES AND MATERIAL:**

22mm thru 60mm  
SS316 Stainless Steel

**SYSTEM MEDIUM:**

Oxygen, High Pressure Wash Water,  
Hot Water and Acid Piping systems

**SPECIAL COMMENTS OR NOTES:**

Supplied over 5,000 Stainless Steel Pyplok® fittings including couplings, reducers, tees, elbows, Pyplok® x 24° DIN and Pyplok® x DIN flanges for the piping connections of high purity lines for a new land based fish farm in Norway. All oxygen service fittings were cleaned to ASTM G93/G93M-19 standards and individually bagged to maintain cleanliness until fitting installation. The use of Pyplok® reduced total installation time compared to welding due to overall reduced man hours along with significant reduction in system flushing time and chemical cleaning costs typically required for a welded system.
